I, JUAN M. CASSE BALLESTEROS, of legal age, married, Attorney at Law and Secretary of the Puerto Rico Telephone Authority, do hereby CERTIFY: That the following text is a true and faithfull copy of Resolution Number 90-26, adopted by the Governing Board of the Puerto Rico Telephone Authority at its Regular Meeting held on April 18, 1990.

RESOLUTION NUMBER 90-26

WHEREAS: The Puerto Rico Telephone Company presented before this Board a draft of amendment to its Tariff Regulations, to reduce the non-recurring charge applicable to the change in category from rotary to tel-touch.

WHEREAS: Said amendment proposes to reduce the non-recurring charge from $30.00 to $15.00. Accordingly, said reduction is included under the exception provided by Act No. 21 of May 31, 1986, "Uniform Act for Review and Modification of Tariffs", which provides that in cases of reduction of charges for basic and essential services, there shall be no need to go through the process of Public Hearings. For the same reason, publication under Act No. 170 of August 12, 1988 is likewise not required.

WHEREAS: The proposed amendment also fosters the establishment in Puerto Rico of the most modern and efficient telecommunications services, at fair and reasonable prices, in accordance with the objectives and purposes of the Telephone Authority.

THEREFORE: BE IT RESOLVED, as hereby is resolved, to approve the aforesaid amendment to Section E-10 of the Tariff Regulations of the Puerto Rico Telephone Company, as proposed on this date.

IN WITNESS WHEREOF, I hereby sign this Certification and affix thereon the seal of the Puerto Rico Telephone Authority at Guaynabo, Puerto Rico, this 19th day of April, 1990.
