BOARD OF DIRECTORS
PUERTO RICO PORTS AUTHORITY

RESOLUTION NO. 97-12

WHEREAS, Resolution 96-53 adopted Tariff A-3-2 which establishes the rates, fees, rental and other charges for the use of public aircraft facilities and passenger freight terminal premises at the Luis Muñoz Marín International Airport for the period through December 31, 1997.

WHEREAS, Item 15.3 in Tariff A-3-2 provides that the passenger terminal fees for passengers on airlines other than American Airlines arriving from and departing to points outside the United States is $2.41, plus an additional fee of $5.66 charged by American Airlines for arriving passengers from foreign countries for use of the federal inspection facilities.

WHEREAS, Item 15.3 in Tariff A-3-2 envisioned that the new FIS facility would be fully operational by January l, 1997 and that the Puerto Rico Ports Authority would not have to operate the old existing federal inspection facilities.

WHEREAS, due to a delay in the construction and relocation of airlines in several areas, the Puerto Rico Ports Authority has been advised that the new FIS facility will not be fully operational for non-American Airline passengers until sometime after June, 1997.

WHEREAS, the Puerto Rico Ports Authority will have to operate the old existing facilities until the new FIS facility is fully operational.

WHEREAS, the Ports Authority needs to cover its costs in the operation of the old existing facilities until such time as the new FIS facility is operational.

THEREFORE, BE IT RESOLVED

1.- The Board determines that it is necessary to amend Item 15.3 in Tariff A-3-2 to cover the Authority's costs in operating the old existing federal inspection facility, until the new FIS facilities are fully operational.

2.- The Board hereby approves the amendment of Item 15.3 in Tariff A-3-2 by including Item 15.3(a) to read as follows:

15.3	Passengers on airlines other than American Airlines arriving from and departing to points outside the United States that use the new FIS facilities operated by American Airlines.	$2.41*
15.3(a)	Passengers on airlines other than American Airlines arriving from and departing to points outside the United States that use the old existing federal inspection facilities operated by the Ports Authority.	$4.37
	*Plus an additional fee of $5.66 charged by American Airlines for arriving passengers from foreign countries for use of federal inspection facilities.	

3.- The Board determines that this amendment will be effective upon thirty (30) days after the date of filing in the Department of State and that Item 15.3(a) will be effective until such time as the new FIS facility becomes fully operational and the Authority no longer has to operate the old existing facilities for non-American Airline passengers.

4.- All other rates, rentals, fees and charges established pursuant to Resolution 96-53 remain the same and in effect.

In San Juan, Puerto Rico, this 19 day of February, 1997.
